

How long will it take a hacker to crack your password?

password

Instantly!

Most commonly used password. First for a hacker to try!

P4\$5w0rD

Instantly!

Hackers are familiar with this trick!

Ldh@1d_+!FR7>h

6 months

May last longer but hard to remember!

HeavyTrophyDockersWin

11 centuries

Use a passphrase instead, it is the most effective way to safeguard your accounts!
