### Application for exemption under regulation 5(3A)

Waste Avoidance and Resource Recovery Levy Regulations 2008

#### FORM LL02-01

Regulation 5 of the Waste Avoidance and Resource Recovery Levy Regulations 2008 sets out the circumstances under which licensees can apply to claim an exemption from the regulations.

Licensees are required to use this form to apply for an exemption under **regulation 5(3A)** being:

Uncontaminated soil or other clean fill received at a licenced landfill before the day on which the Waste Avoidance and Resource Recovery Levy Amendment Regulations 2020, regulation 4 comes into operation if:

- (i) it was accepted by the licensee at no charge; and
- (ii) it is, or will be, used after the completion of landfill operations to cover, to a depth of up to 500 mm, waste disposed of on the premises.

#### **Instructions**

Before submitting this application form please ensure that you have completed all required fields, signed the form and have included copies of required supporting information as set out in the form.

If there is insufficient space on any part of this form, please continue on a separate page and attach to this application form, ensuring that all pages are numbered.

**Incomplete or illegible applications will not be assessed.** If you require assistance in completing any part of this application form, please contact the Department of Water and Environmental Regulation (DWER) on (08) 6364 6963. DWER recommends that a copy of this form is retained by the licensee.

**IMPORTANT: To be eligible for this exemption, the uncontaminated soil or other clean fill that is used, or will be used at the landfill after the completion of landfill operations to cover, to a depth of up to 500 mm, waste disposed of on the premises must have been received by the licensee prior to 5 February 2020. An exemption cannot be granted under regulation 5(3A) for waste received on or after 5 February 2020.**

Please note that exemptions must be granted prior to 28 days after the end of a return period to avoid levy liability arising. Exemptions granted after this time will result in the payment of a refund on the amount of levy paid on exempt waste by the licensee.
