**MAP INFORMATION**  
The focus of this map is the pictorial representation of the location of fatal and serious crashes in a Main Roads region. This information is prepared by Road Safety Commission using data sourced from the Main Roads Integrated Road Information System (IRIS).  
All other features on this map are included for pictorial representations only and should not be used where accuracy is a consideration.  
Geographic Coordinate System: Geocentric Datum of Australia 1994 - Projection MGA Zone 50
