

Directors General ICT Council

Communique – 22 June 2023

The 29th meeting of the Directors General ICT Council (the Council) was held on 22 June 2023 out-of-session.

The Council considered the following matters:

Public Sector Approach to Artificial Intelligence

The Council approved the establishment of a working group tasked with developing a whole of government Artificial Intelligence policy. This work will guide the public sector's adoption of this rapidly emerging technology to ensure there is responsible management of risks while maximising potential benefits. The Council also approved interim guidance for WA Agencies on adoption of Artificial Intelligence in the public sector. This interim guidance has now been circulated to WA Government agencies.

Other business

The Council also noted updates on:

- Privacy and Responsible Information Sharing Update
- Information Classification Policy
- Public Sector ICT Graduate and Internship Program
- GovNext buying rules during disengagement

Next meeting

The next meeting of the Council is scheduled for 6 September 2023.
