# Evedon Lakeside Retreat

Evedon Lakeside Retreat provides the perfect opportunity for visitors to experience bush walking, canoeing, nature trails and outdoor barbeques, while enjoying the comforts of the lake side apartments and cabins. At the gateway to the Ferguson Valley, and 20 minutes from Bunbury, it is close to National Parks, boutique wineries and breweries, galleries, and arts and crafts.

With an increasing number of people driving EVs, installing chargers was a natural progression for the business which has been catering to their customers' changing needs for more than 40 years. Conference guests and those staying at Evedon's accommodation will be the main beneficiaries of the chargers.
