

Directors General ICT Council

Communique – 5 December 2023

The 31st meeting of the Directors General ICT Council (the Council) was held on 5 December 2023 at Dumas house and online via Microsoft Teams.

The Council considered the following matters:

2024 Whole-of-Government Cyber Security Policy

The Council were advised of proposed updates to the current whole-of-government Cyber Security Policy and were provided with the rationale for these, and information on the consultation conducted. The Council endorsed the draft 2024 Western Australian Cyber Security Policy.

WA Government Artificial Intelligence Policy

The Council was briefed on and endorsed the WA Government Artificial Intelligence (AI) Policy (the Policy) developed by the WA Government inter-agency AI working group in conjunction with the Office of Digital Government (DGov). It is proposed that the Policy will provide broad principles for the safe and responsible use and development of AI tools in the WA public sector.

Other business

The Council noted updates on, and approved the following matters:

- Council and Business and Technology Advisory Committee Terms of Reference update
- WA Government Information Management Framework
- Privacy and Responsible Information Sharing (PRIS) Project
- ICT Delivery Frameworks

The Council also noted updates on the following programs:

- Spatial WA
- GovNext Transition Project
- Whole of Government Grants System initiative
- Digital Capability Fund 2023-24 Mid-year Review Update
- Digital Capability Fund Assurance Framework

Next meeting

The next meeting of the Council is scheduled for 5 March 2024.
