

# Anzac Day Trust - Grant Application

*Appointed Trustees will consider all projects and initiatives that deliver tangible outcomes and value for money for veterans and their families in Western Australia. Commemorative services, events, and memorial construction will also be considered.*

The Anzac Day Trust is established under the '[Anzac Day Act 1960](#)'

---	---

## Project Summary

**1) Explain how the veteran community in Western Australia will benefit from your project?**

Provide the Trustees an idea of the reach of your project and the positive impact it will have for veterans and their families.

**2) What is the expected number of veterans able to benefit from this project?**

## Project Summary cont.

3) **When do you anticipate it will be available to, or accessible by, the WA veteran community?**

4) **What are your project deliverables?**

The project deliverables are a measure of what your project team will deliver. These are important to know as they form the basis for the acquittal process. For projects spanning multiple years these deliverables must be grouped by year.

### 5) Statement of Planned Expenditure

Provide the Trustees with a breakdown of what you intend to spend the grant money on, why, and how much each line item will cost?

Item	Purpose	Amount
<b>Total requested:</b>		

### 6) Other financial assistance obtained for this project?

The Trustees need to know if you are seeking or benefiting from financial assistance from other organisations or receiving other financial support from the WA Government or Federal government. If so, what is the purpose of that support, from whom, level of support, and over what period? If you are part of a national organisation, is there direct funding from your national body to your WA operation?
