

GROH Housing Maintenance

If you have maintenance issues in your GROH dwelling that requires attention it must be reported using either of the following:

- By calling Housing Direct on [1300 137 677](tel:1300137677)
- By completing the non-urgent online maintenance request form [Department of Communities Housing - repairs and maintenance](#)

By using one of these two methods there is a formal record of the request of maintenance being logged.

As the tenant, it is your responsibility to report all maintenance issues as soon as they arise. GROH will arrange a contractor to fix the problem according to the category timeframes listed below.

Category	Timeframe	Examples
Emergency – To prevent life threatening issues	Within 8 hours	<ul style="list-style-type: none">• Risk of electric shock• Earth wiring issues• No power to property

In the event your maintenance has not been attended to within the prescribed timeframes above or you are not satisfied with the service provided, the Department of Communities has established a dedicated maintenance escalation mailbox for GROH tenants.

GROHescalationmaintenancehousing@communities.wa.gov.au

The escalation service will respond to your request within one (1) business day.

When should you use this service?

When you have already logged your request for maintenance online or with Housing Direct, and it is either overdue or you are not satisfied with the maintenance service provided.

When should you not use this service?

When you are making an original request for maintenance.

When you are first following up with Housing on an existing maintenance request. In the first instance, all maintenance follow up requests must be made to Housing Direct.
