Virtual interviews

Where you are not able to attend an interview in person, a virtual interview can be arranged. The Department utilises Microsoft Teams for virtual interviews and will provide you with instructions on how to join the meeting prior to your interview.

Microsoft Teams has a range of accessibility features that make sure all users have the best possible experience, including live captions, live transcription, screen reader compatibility, sign language view and many more. For more information, visit the [Microsoft Support website](#).

If you would like to utilise the accessibility features during your interview or would like to undertake a test of the virtual environment before your interview, please contact the panel chair or our Human Resources team via dtwdhr@dtwd.wa.gov.au or phone (08) 6551 5071.
