Exmouth Gulf

The Exmouth Gulf Taskforce is preparing its final advice to the Minister for the Environment on integrated management and protection options for the Exmouth Gulf and its surrounds. The Taskforce was established following the [State Government's 2021 commitment](#) to enhance the protections for Exmouth Gulf and adopting the [EPA's Section 16\(e\) recommendations](#). The [Taskforce Interim Report](#) to the Minister for the Environment was published in 2024.

The Taskforce is keen to update the community and stakeholders on its actions, focused on knowledge sharing on Exmouth Gulf. There are two sessions, Exmouth and Onslow. See the following details on how to register.

The forum will cover:

- Exmouth Gulf Taskforce current work and next steps
- Western Australian Marine Science Institution Knowledge review process
- Other Exmouth Gulf updates.

Please note all attendees must register – in-person event only
Registrations close: Monday 12 May 2025
