Supporting your student journey in Western Australia

Home to one of the most liveable cities in the world, Western Australia offers five world-class universities providing academic excellence, state-of-the-art research facilities, hands-on learning and industry work experience.

With a strong economy, affordable cost of living, and a safe and vibrant lifestyle, Western Australia is a study destination like no other.

The Western Australian Government has launched a \$2 million Scholarship program for high-performing international students who choose to study at one of Western Australia's five universities.

10 high-performing international students will be awarded the prestigious \$50,000 Western Australian Premier's University Scholarship each year.

The Western Australian Government will award scholarships to two successful international students at each of the five universities, each year, totalling 10 scholarships per year.

Applicants must meet the following eligibility criteria including but not limited to:

- Be a new offshore enrolment from an eligible country listed in the guidelines.
- Studying an undergraduate or postgraduate course – subject to each university's eligibility criteria.
- Demonstrate academic and non-academic qualities.
