Supporting your studies in Western Australia

Home to one of the most liveable cities in the world, Western Australia has over 135 high quality education and training providers offering a globally recognised education experience, combined with cutting-edge academic courses and hands-on learning. With a strong economy, affordable cost of living, and a safe and vibrant lifestyle, Western Australia is an ideal study destination like no other.

The Western Australian Government has launched the Premier's Western Australian Certificate of Education (WACE) Bursary for up to 50 successful international WACE graduates each year.

The \$20,000 Western Australian Premier's WACE Bursary is open to offshore WACE graduates who enrol or plan to enrol at a Western Australian university or tertiary pathway provider.

The Bursary will provide up to 50 successful international students with a one-off payment of \$20,000 to assist with living, travel and study expenses.

Applicants must meet the following eligibility criteria including but not limited to:

- Complete their WACE at an approved offshore school within 24 months of submitting an application for the WA Premier's WACE Bursary or be an offshore Year 12 WACE student on track to complete their WACE within the next 12 months.
- Have enrolled or plan to enrol at a Western Australian university or tertiary pathway provider to study onshore full-time as an international student.
