- Optus Elink
- Optus Wavelength

Category 5.2 Internet Access Services

- Optus Evolve Internet

Buying methods

1- Place an Order for Services

Option A – Using Order Form- New Services & Contract Resign-ONLY

You can use the CUA Order Form or your organisation's own order form to make a purchase from Optus Networks Pty Ltd **Price Schedule**. Please ensure you reference the CUA number "CUATEL2021".

STEP 1: Browse the Price Schedule and consult with the relevant ICT or procurement section of your agency to ensure that the services you wish to purchase are suitable for your organisation.

STEP 2: Contact Optus cuaorders@optus.com.au or your Account manager listed in general enquires to discuss your service plan requirements and fit-for-purpose.

STEP 3 (optional): Contact the Contract Manager of CUATEL2021 to discuss service plan options and request assistance with completing the CUA Order form if required.

STEP 4: Complete the CUA Order Form or your organisation's own order form including any attachments, with the products and/or additional services you require. Obtain signoff from the relevant delegated authority within your organisation. Note the relevant Optus artifact will need to be signed for most Voice products. See below table

Note: You will need to reference your Customer ID (UID and Account number), which can be confirmed with Optus Networks Pty Ltd and is a unique number assigned to your Organisation.

STEP 5: Send the signed Order Form including any attachments required by Optus to Optus Networks Pty Ltd via email to cuaorders@optus.com.au or your Optus account manager.

Option B – Using Contractor Portal

Optus Enterprise Portal: <http://enterpriseportal.optus.com.au/mbp>

Note: This option is applicable if the customer has already a service contract in place and have access to the Optus Enterprise Portal.

Ordering an Evolve Voice Service (SIP Trunks) or Voice express service (SIP Trunks over the Internet) via Optus Enterprise Portal

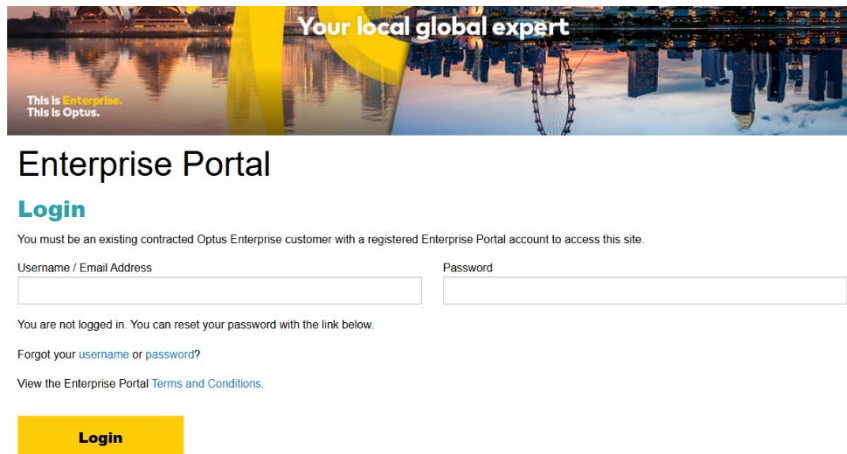

To order an Evolve Voice Service via the MAC process requires customer to have following

- Access to Optus Enterprise Portal
- An existing Evolve Voice Service in a valid contract

- Valid Contract/Agreement ID
- Existing Voice Service details
- If you are ordering first Evolve Voice Service, then use the Option 1-quote order form process and contact the Account manager

STEP 1: Browse following link to access Optus Enterprise Portal

Ordering an Optus Voice Inbound Services 1800/1300/13 Numbers Service via Optus Enterprise Portal

To order Voice Inbound Services 1800/1300/13 Numbers Service via the MAC process requires customer to have following

- Access to Optus Enterprise Portal
- An existing Voice Inbound Services 1800/1300/13 Numbers Service in a valid contract
- Valid Contract/Agreement ID
- Existing Voice Service details
- If you are ordering first Voice Inbound Services 1800/1300/13 Numbers Service, then use the quote order form process and contact the Account manager

STEP 1: Browse following link to access Optus Enterprise Portal

URL: https://login.optus.com.au/siteminderagent/forms/nucleus_mbp.sec

The login page features a header banner with a city skyline at night and the text "Your local global expert". Below the banner, the text "This is Enterprise. This is Optus." is displayed. The main heading is "Enterprise Portal" followed by a "Login" sub-heading. A message states: "You must be an existing contracted Optus Enterprise customer with a registered Enterprise Portal account to access this site." There are two input fields: "Username / Email Address" and "Password". Below these fields, there are links for "Forgot your username or password?" and "View the Enterprise Portal Terms and Conditions." A yellow "Login" button is at the bottom.

2 - Ordering Hardware

The Customer may purchase Hardware after seeking quotes using:

- the **CUATEL2021 – Quote Form Panel 4 and 5**
- the Customer's own quote form; or
- other appropriate methodology.

Optional Step 4.1: Seeking Quotes

Where a Customer requires a volume of Hardware that would typically exceed the WA Procurement Rules threshold for Direct Purchase (over \$50K) it is recommended to seek quotes from CUATEL2021. Although most Contractors offer a base CUA discount, higher volumes typically attract higher discounts

The following steps apply where the Customer seeks quotes using **CUATEL2021 – Quote Form Panel 4 and 5** or its own organisation's quote form:

STEP 1: Browse the Price Schedule and consult with the relevant ICT or procurement section of your agency to ensure that the proposed Hardware is suitable for your organisation.

STEP 2: Complete the CUA Quote Form or your organisation's own form with the products and/or additional services you require.

STEP 3: To obtain a Quote for a Product Catalogue item, send the CUA Quote Form or your cuaorders@optus.com.au or your account manager.

Note: Where the estimated value of the Order exceeds \$500K you are also required to send the CUA Quote Form to at least one other supplier in addition to Optus Networks Pty Ltd. This ensures compliance with the CUA Buying Rules and to determine value for money options.

STEP 4: Evaluate quote(s) and if you determine that Optus Networks Pty Ltd has suitable Goods and/or Services, then proceed to

Step 4.2 – Place Hardware Order

Option A – Using Order Form-

You can use the **CUATEL2021 – Order Form Panel 4 and 5** or your organisation's own order form to make a purchase from Optus Network Pty Ltd Price Schedule. Please ensure you reference the CUA number "CUATEL2021".

STEP 1: Contact Optus Network Pty Ltd cuaorders@optus.com.au or your Account Manager discuss the Customer Order.

STEP 2: Complete the CUA Order Form or your organisation's own order form including any attachments, with the Hardware and/or additional services you require. Obtain signoff from the relevant delegated authority within your organisation.

STEP 3: Send the signed Order Form and valid Optus Quote including any attachments to Optus Network Pty Ltd via email to: cuaorders@optus.com.au or your Account Manager

STEP 4: The Contractor will issue a confirmation of the Order, including delivery date and other relevant information.

STEP 5: The Contractor will supply an invoice to the Customer upon delivery of Goods.

3 –Buyback or Trade-in Services

Buyback Summary Details:

Options are available subject to the conditions from vendors. For further details please contact Optus account manager.

Payment of bills / invoices

Pay on your account via the following options:

EFT/ Direct Deposit

Pay on your Account via EFT – Account details as follows:

OPTUS BANK ACCOUNT DETAILS

Name of Bank: ANZ (Australia & New Zealand Banking Group)

Warranty and Maintenance

Manufacturer's warranty

When Optus is not the manufacturer of the goods provided as part of the services, as far as the law allows Optus does not offer any warranties for those goods. The only warranties available to the contract authority are the standard third-party manufacturer warranties. When Optus on-supplies the contract authority with third party standard product maintenance services as part of the services, the relevant third-party maintenance terms and conditions of supply apply to the provision of those services.

Hardware Manufacturers Maintenance

Upon purchase of Hardware Support Optus will provide the Contract Authority with details and relevant information including contact details, SLA's and process information
