

Directors General Technology, Innovation and Science Council

Communique – 24 April 2025

The fourth meeting of the Directors General Technology, Innovation and Science Council (TISC) was held on 24 April 2025 out of session.

The TISC considered the following matters:

WA Government Artificial Intelligence Assurance Framework Update

Since the recent establishment of the WA Government Artificial Intelligence Advisory Board (Board) in January 2025, the Office of Digital Government has simplified the WA Government Artificial Intelligence (AI) Assurance Framework (Framework). The changes provide more streamlined AI assurance processes for WA Government agencies and reduces risk through strengthened oversight.

Other business

The TISC also considered the following matters:

- Privacy and Responsible Information Sharing
- The approach to next Digital Strategy for the WA Government

Next meeting

The next meeting of the TISC is scheduled for 3 June 2025.
