

Directors General Technology, Innovation and Science Council

Communique – 3 December 2024

The third meeting of the Directors General Technology, Innovation and Science Council (TISC) was held on 3 December 2024 out of session.

The TISC considered the following matters:

Digital Strategy Roadmap for the WA Government 2025

The Office of Digital Government is leading the development of the 2025 Digital Strategy Roadmap for the WA Government (the Roadmap). The annual Roadmap outlines initiatives aligned to the *Digital Strategy for the WA Government 2021-2025* (the Digital Strategy).

WA Space Industry Strategy 2024-25 Action Plan

The Department of Jobs, Tourism, Science and Innovation (JTSI) launched the *Western Australia Space Industry Strategy 2024-30* (the Space Strategy) on 3 October 2024. The Space Strategy aims to enhance local capability and attract additional investment to secure WA's position as a globally recognised Indo-Pacific space hub. The TISC endorsed the WA Space Industry Strategy 2024-30 – Action Plan, which outlines the 2024-25 programs and initiatives to support achieving the Space Strategy objectives.

Other business

The TISC also considered the following matters:

- GovNext Transition Project
- The Digital Capability Fund
- The WA Government eInvoicing Program Stage 2

Next meeting

The next meeting of the TISC is scheduled for 3 June 2025.
