

Application for post adoption services *Adoption Act 1994 Western Australia (WA)*

Description of services you can request on this application

Original birth certificate with adoption details

Parties to an adoption, birth siblings and other relatives (in certain circumstances), can access the original birth certificate together with the adoption details. This may include details such as the adopted person's name at birth, place of birth, birth mother's name, adoptive parents' names, date of adoption, Order of Adoption number, and the child's name after adoption.

Adoption court documents

These documents are the legal documents required to finalise the adoption. These may consist of the Order of Adoption, the Application for the Order of Adoption signed by the adoptive parents, the Form of Consent/Affidavit to the Adoption signed by the birth parent/s and the application to Dispense with Consent (if relevant). In most cases, the birth father will be named in these documents.

Non-identifying information

This is additional information from records held by the Department of Communities, Adoption Services that may provide details about the adoption and the relevant parties. The information may include family history, education, occupation, birth details, general medical information, personal characteristics, interests, and hobbies. It does not include identifying information such as names, addresses or dates of birth. Where possible, applicants will receive photocopies of their own records.

Outreach

An outreach is an approach made on behalf of the applicant to another party to request information or contact. Post Adoption Services can prioritise a request for outreach in special circumstances where there are legal, urgent medical or age-related grounds. Please provide supporting documents if you require a priority outreach for special circumstances.

Message box

A person can leave a message/photograph with Post Adoption Services. The message is either passed on or kept at the Department until the person for whom it is intended contacts Post Adoption Services. The person for whom the message is intended is always given the opportunity to decide whether to accept the message. All messages are confidential.

Contact or information veto cancellation

A contact veto can be cancelled at any time. As of 2003, no new vetoes can be registered. Vetoes consist of a contact veto (a wish for no contact) or an information veto (prevented identifying adoption information being released). Amendments to the *Adoption Act 1994* mean that information vetoes placed prior to June 2003 expired in June 2005.

Once you have completed the application form including the Statutory Declaration on Page 5, please attach a certified copy of your Proof of Identity documents (as referenced on the Statutory Declaration) and if applicable, attach your ***supporting documentation** (refer to bottom of page for more info) and forward either by email to adoptions@communities.wa.gov.au or post to:
