Dear Jai,

**Yindjibarndi Energy Corporation Licence Exemption Application Consultation**

Thank you for the opportunity to provide a submission on the proposed licence exemption application for Yindjibarndi Energy Corporation.

Horizon Power supports the proposed approach whereby Yindjibarndi Energy Corporation is seeking a retail licence exemption to operate Project Jinbi, a solar farm in the Pilbara that will connect to the North West Interconnected System.

This support is on the basis that the exemption is limited specifically to Hamersley Iron Pty. Limited, or its related body corporate, and does not extend to other customers.

If you have any questions or would like to discuss this topic further, please contact:

Senior Manager Major Customer Accounts

Yours sincerely
