SAFETY  
COMMISSION

## Rules for riding your eBike safely and legally

Age  
**16+**

**25**  
km/h

Check before you buy:  
eBikes must meet  
WA legal standards

Motor must cut  
out at 25km/h

\*The same road rules  
apply for riding regular  
push bikes and eBikes.

eBikes must  
be primarily  
pedal-powered

# Make sure your eBike meets WA rules

Only power-**assisted** pedal cycles are legal. These are bikes that you pedal, with some help from a motor.

There are two types that meet WA rules:

- Pedalecs (EN 15194 standard)
  - Electric motor up to 250 watts
  - Motor cuts out at 25km/h
  - Look for a sticker showing EN 15194 compliance
- Other power-assisted bikes
  - Electric or petrol motor up to 200 watts total

If your eBike doesn't meet WA rules, it is illegal to use on public roads or paths.

## Ride smart:

\*eBike riders are generally subject to the same road rules as people riding regular push bikes, except you must be 16 or older to use an eBike.

Visit our website for more information to help make every eBike ride safe.
