Buying methods

Panel C – Consumables

Based on the estimated value of the procurement, you may either engage a contractor directly or, if the value exceeds \$250,000, seek quotations from multiple contractors in accordance with the Buying Rules for [Printing and Copying Machines and Solutions CUAPCS2024](#).

Placing an Order

The COS “Best Customer Experience” is delivered every day to your end users.

Your dedicated Account Management team and our Customer Relations Helpdesk will ensure your workplace supplies requirements are understood and your company objectives are achieved.

Our team are available 8.30 AM – 8.00 PM AEST Monday to Friday.

Call toll-free number 1300 88 22 44 to talk to helpdesk staff

Email us at customerservice@cos.net.au for online support

Our online ordering website is www.cos.net.au which is available to access via desktop PC, laptop, smartphone and tablet devices including ‘Live Chat’.

Minimum Order Thresholds

- No minimum order thresholds apply.

Delivery

Deliveries typically occur between 8:30 AM and 5:00 PM.

Perth Metropolitan Area

COS provides CUAPCS2024 customers with free next-day delivery within the Perth metropolitan area.

Regional Deliveries

For regional orders placed before 2:00 PM on weekdays, goods will be dispatched overnight and delivered via COS's preferred suppliers. Please note that small regional orders may incur a small order fee, which will be displayed on COSnet.

Services

Disposal and recycling

Please contact your [CUA Account Manager](#) for more information on solutions available.

Return of rejected goods

Please contact your [General Enquiries](#) to request a return.
