STRENGTH IN OUR STORIES

This year's theme highlights the power of young people's diverse backgrounds and experiences – how they shape values, spark change, and help overcome challenges. These stories drive personal growth, create social impact, and strengthen communities.

Youth Week WA is an opportunity for young people aged 10–25 to be recognised for their valuable contributions to the social, cultural and economic life of Western Australia. It's a chance for young people to:

- Express their ideas and showcase their talents
- Raise awareness about local community issues that matter to them
- Connect with peers and the wider community
