THE BOARD MAKES THE FOLLOWING DIRECTIONS BY CONSENT:

- 1 Subject to the directions below, the applicant's solicitors be responsible for the maintenance of a file sharing platform for use in the proceedings (**Platform**).
- 2 The applicant must arrange for a licence to use the Platform to be provided to each member of the Board, one to the Department of Energy and Economic Regulation, and 10 licences to the respondent, with access permissions being applied to the user for each licence which are appropriate to that user.
- 3 Any document to be lodged in the proceedings by a party is to be lodged by:

- (i) uploading the document to the folder on the Platform that is applicable to the type of document lodged;
- (ii) completing, as part of the upload process, any relevant field to identify the document lodged, including its date, the type of document and whether it is claimed to be confidential or not; and
- (iii) sending an email to other party and the Board giving notice that the document has been uploaded.

4 The costs associated with the establishment, maintenance and ongoing administration of the Platform for the purposes of this proceeding are to be shared equally between the parties, subject to any further costs order made in the proceedings.
