International Education Roadshow 2026

South Korea

Welcome to Study in Western Australia

We are delighted to have you join an education roadshow hosted by the Government of Western Australia's Invest and Trade WA Seoul Office. This event is designed to showcase the Western Australian education journey available to international students.

This event is an opportunity to connect and network with Western Australian representatives from higher education, vocational training, pathway and as well as English language colleges.

We encourage you to network, ask questions, and engage with our presenters to discover why Western Australia is the ideal study destination

Thank you for being here, and we hope you enjoy the event.

Western Australia snapshot

Perth is ranked the 15th most liveable city in the world¹

Home to more than 140 high-quality education providers

Western Australia has a low unemployment rate and strong wage growth²

Perth is ranked within the top 20 cities worldwide for quality of living³

1. Global Liveability Index, 2025

2. Department of Treasury and Finance September 2025

3. Mercer's Quality of Living Survey 2024

Why Study in Western Australia

Western Australia is well positioned to provide international students with the knowledge, skills, support and connections they require to enter the increasingly competitive global job market.

Western Australia offers a world-leading education system across higher education, vocational education and training, English language and schools. International students can take advantage of our strong economy and job market with many employment opportunities and career pathways available to explore and build the skills for a global career.

Perth, the capital of Western Australia and just a few hours from major Asian cities, provides a safe and vibrant lifestyle that is hard to find anywhere else. The 'Regional' city status offers students opportunities to access extended post-study work rights and additional migration points, allowing students to stay longer anywhere in Western Australia.

International Student Scholarships

The Western Australian Government currently offers several prestigious scholarships to help international students with their living, travel and study expenses in Western Australia.

“This scholarship has eased my financial burden by covering half of my tuition fees and allowed me to focus on my studies.” – Yen, Bachelor of Science (Actuarial Science)

“WA’s unique lifestyle creates the ideal environment for me to thrive both academically and personally.” – Edward, Master of Clinical Audiology

“The scholarship has made it possible for me to focus on my studies while enjoying all that WA has to offer.” – Felix, Doctor of Philosophy – Business

Australian Professional Skills Institute

Established in 2010, Australian Professional Skills Institute (APSI) is a prominent vocational education provider located in East Perth, Western Australia. APSI delivers nationally recognised qualifications across key sectors including hospitality, commercial cookery, health, and community services.

The campus is located in East Perth with convenient access to public transport, supporting ease of attendance for students. APSI offers specialised job-ready programs in aged care, disability care, and hospitality, tailored to meet the needs of Korean and Japanese Working Holiday visa holders. Students at APSI benefit from a diverse learning environment, studying alongside a mix of international and domestic Australian students.

Through an integrated approach combining theoretical instruction with practical training, APSI equips students with the skills and competencies required for employment. The institute maintains strong industry partnerships throughout Western Australia's hospitality and healthcare sectors, providing opportunities for structured workplace learning and hands-on experience in real commercial environments.

Edith Cowan University

ECU is one of Australia's youngest universities, named after one of Australia's most inspiring women. We're young and we're curious. We're constantly scanning global trends and translating this into challenging, realistic and practical courses that prepare our students for the future. We also believe that human creativity, combined with the inspiration of learning, has the power to transform lives and to create a better world. So our preparation of students includes teaching the skills sought by industries and employers worldwide, such as creative thinking and problem-solving. We encourage positive mindsets where problems are seen as opportunities.

ECU is now an established Australian leader in the delivery of quality teaching, student support and the overall experience of our students – both domestic and international (Good Universities Guide).

And befitting the vision of our namesake, inclusion and equity are also part of our DNA; providing everyone an opportunity to access a quality education.

Murdoch University & College

Murdoch University

With a history of just over 50 years, **Murdoch University** is a public research university with a strong reputation in sustainability, equity & diversity, and inclusion. We are a medium sized university with a student population of more than 25000 students.

Murdoch University is different - we are changing the way students learn with our new teaching building Boola Katitjin. The building (Boola Katitjin) was honoured at the 2023 National Architecture Awards for Education Architecture and Sustainable Architecture. It is designed to enhance student's study experience and provide them with a fresh space to learn, collaborate and socialise. Boola Katitjin features the first Tech-Enabled Learning (TEL) desks in the country, allowing students to connect with any device, collaborate with their group, and present and share with the class their work from anywhere in the world.

Popular courses include the accredited Veterinary Medicine, Chiropractic Science, Nursing, Agriculture Science, and allied Health.

Murdoch College

At Murdoch College, we offer various English courses and pathways into Murdoch University undergraduate and postgraduate programs. Graduate successfully from our Foundation Studies program and you'll progress straight into the first year of your chosen degree. Our courses have been designed to improve your English language and academic skills and prepare you for a seamless transition to Murdoch University.

Studying on-campus means you'll be part of the University community from day one, with access to all the world-class facilities and services on offer. While you study, you'll be able to interact with current university students to help you better prepare for the transition to your degree.

UWA & UWA CELT & UWA College

UWA

For over a century, The University of Western Australia (UWA) has been the launchpad for the world's brightest minds. As Western Australia's first university, we've built a legacy of curiosity, courage and community – and we're just getting started. UWA's world top 100 ranking (QS 2026) is more than a number. It's a mindset. A commitment to helping students thrive, lead and create impact. Our graduates don't just enter industries – they transform them, both locally and globally.

The university is home to a diverse community of more than 28,000 students, including approximately 10,000 international students hailing from 115 countries. Our students join a network of passionate, intelligent and resourceful leaders who are driving innovation and change. By working alongside industry partners on real challenges, and taking on networking opportunities, work placements and internships, students will gain the skills, knowledge and connections to launch their career.

UWA CELT

At UWA, our motto, Seek Wisdom, is at the heart of what we do.

The UWA Centre for English Language Teaching (UWA CELT) upholds the University's tradition of providing high-quality English language teaching in a friendly and supportive environment.

We provide a range of English language programs for learners at different levels, and offer a mixture of formal, academic, and conversational English. Our experienced teachers hold degrees and specialist qualifications in English language teaching. Through engaging tasks, activities, and projects, you will have the chance to practice English and learn about life in Australia. Our programs combine expert teaching with practical language use, helping you develop the skills and confidence to become a lifelong English learner.
