

Authorisation to Contact Services Australia

Applicant details

Full name			Date of birth	
If known:	Client ID		Application ID (previous application)	

Card holder to complete

Full name			
Address			
Is this your primary address?	☐ Yes ☐ No		
Phone		Email	

Authorisation

I authorise:

- RevenueWA to use Centrelink Confirmation eServices to perform an enquiry of my customer details and concession card status to determine if I qualify for the Energy Concession Extension Scheme.
- Services Australia to provide the results of that enquiry to RevenueWA.

I understand:

- Services Australia will disclose personal information to RevenueWA to confirm my eligibility for the Energy Concession Extension Scheme.
- this consent, once signed, remains valid while I am a customer of RevenueWA unless I withdraw it by contacting RevenueWA or Services Australia. I can get proof of my circumstances or details from Services Australia and provide it to RevenueWA so they can determine my eligibility for the Energy Concession Extension Scheme.
- if I withdraw my consent and don't alternatively provide proof of my circumstances or details, I may not be eligible for the Energy Concession Extension Scheme.

How to submit this form

Provide a signed copy of this form with your application or renewal, or upload it to an [web enquiry](#).

See information about ECES on our website at www.wa.gov.au/government/publications/apply-the-energy-concession-extension-scheme or contact us on (08) 9262 1486.

Privacy statement

RevenueWA collects personal information to assess your eligibility, and manage payments, for the relevant scheme. If you don't provide the information required, we may be unable to process your application. We will not use your personal information outside of this purpose or share your information without your consent except where required or authorised by law.

See www.wa.gov.au/organisation/departments-of-treasury-and-finance/revenue-wa-privacy-and-personal-information for details about how your personal information is handled.
