

The difference between

The Office of the Public Advocate and the Public Trustee

If you have the Public Advocate and the Public Trustee as your guardian and administrator, who does what? This Easy Read flyer explains the difference between the two offices.

 Guardian Guardians working at the Office of the Public Advocate can make lifestyle decisions such as:    Medical Services Accommodation	 Public Trustee Administrator Administrators (also called Trust Managers) working at the Public Trustee can make financial decisions such as:   Money Property
