Extension of Time

Noting that there is some uncertainty whether the date from which the time limit in Reg 45A(2) of the *Electricity Industry (Electricity System and Market) Regulations 2004* runs is the date of the application in this matter, 17 November 2025, or the date of constitution of the Board for this matter, and for the avoidance of doubt, I extend the period referred to in Reg 45A(2) by 30 days.

The reason for the extension of time is that, on the basis that the time limit in Reg 45A runs from the date of the application, the matter cannot be dealt with properly without the extension because of its complexity and issues associated with the constitution of the Board.
