

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.

## Interstate registration holders operating in Western Australia under Automatic Mutual Recognition (AMR)

Pursuant to the *Mutual Recognition (Automatic Deemed Registration Notification - Western Australia) Determination 2022*, under section 42J of the *Mutual Recognition Act 1992 (Cth)* \* (the Act), the following interstate registration holders have notified the local registration authority that they intend to operate in Western Australia. Under Part 3A of the Act, these individuals hold automatic deemed registration (ADR), which entitles them to carry out regulated activities captured by the occupation under the terms of their home State registration. ADR ends when any of the events referred to in section 42G of the Act occurs. These individuals have not been granted registration in Western Australia but must comply with the conduct requirements of all relevant Western Australian laws. Refer to the registration document issued by the participant's home State or verify any conditions or restrictions that may affect an individual's permitted scope of activities with the relevant home State registration authority.
