

PRODUCTS / CAPABILITIES

Sea to Summit is a 100% Australian owned and operated company, who design, develop and deliver an extensive range of outdoor equipment for the global adventure industry.

We are a trusted industry partner of Defence, supplying a range of field equipment and bespoke design services under a Prime Contractor arrangement (L125Ph4FE). Our objective is to seek **Modernised** product solutions, to be **Capability Focused**, and ensure that we are always delivering the best equipment to the **End Users**.

Our current range of Military Off the Shelf (MOTS) products includes:

- Sleep Systems
- Dry storage
- Shelters
- Insect protection
- Cooking and eating equipment
- Load carriage
- Personal care

DISCRIMINATORS

DESIGN

Field Equipment product design expertise, with extensive commercial experience working with metal alloys, polymers and plastics, synthetic fibres, natural fibres, insulation materials, surface treatments, and specialised manufacturing processes.

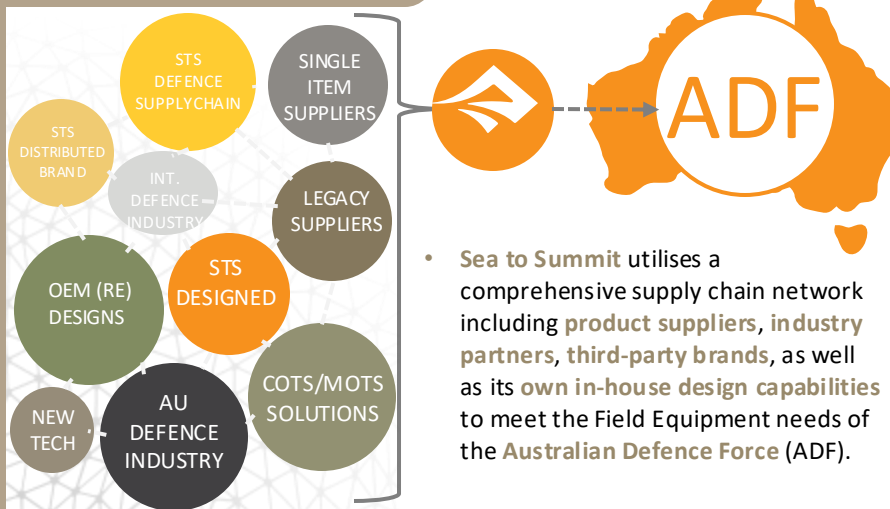

DEVELOP

Capacity to upgrade our outdoor / recreation market **COTS** to **MOTS**, by modifying materials, colours, components, and product construction.

DELIVER

Experienced distributor both domestically and internationally, currently shipping our products to over 60+ countries through a broad multi-channel distribution network.
