Fish Resources Management Act 1994

PROHIBITION ON FISHING (WIRE TRACE) ORDER 2024

[AS30759]

Made by the Minister under section 43.

1. Citation

This order is the *Prohibition on Fishing (Wire Trace) Order 2024.*

2. Commencement

This order commences operation on 1 October 2024.

3. Order revoked

The *Prohibition on Fishing (Wire Trace) Order 2022* is revoked.

4. Interpretation

In this order -

wire trace means a length of steel or metal wire or chain that is attached to, or is part of, a fishing line, but does not include hooks, swivels, or sinkers.

5. Prohibition

A person must not fish in the areas described in Schedules 1, 2 and 3 by the use of a wire trace.

Schedule 1 – Metropolitan waters

All Western Australian waters extending 800 metres seaward of the high-water mark on the mainland between 31° 27.314′ south latitude and 32° 40.088′ south latitude; the waters of the Dawesville Channel up to the Port Bouvard bridge (excluding tributaries); the waters of the Mandurah Estuary up to the Mandurah Estuary Bridge (excluding tributaries); and the waters of the Swan and Canning Rivers (including tributaries).

Schedule 2 – Busselton Jetty

All Western Australian waters extending 800 metres seaward of the high-water mark on the mainland between a point at 33° 38.521′ south latitude and 115° 21.259′ east

DISCLAIMER:
This is not an official version. Although this document has been carefully collated from each of the relevant issues of the Government Gazettes in which the principal notice and any subsequent amendments were published, its accuracy cannot be guaranteed.

Accordingly - (a) no warranty is given that it is free from error or omission nor as to the accuracy of any information in it; and (b) the State of Western Australia and its servants expressly disclaim liability for any act or omission done in reliance on the document or for any consequences of any such act or omission.
